MELANCHOLY.

A distressing and heart rending accident curred on Thursday alternaon, the 16th into the theorem of George W. Hipple, to the registers discharge the county. the accidental discharge of a gun, which red in the death of his wife. The circumstances relative to the accident,

saletailed by the family, are as follows: The family had been sometime previous surbed in the night hy somebody about the see and in particular about the poultry see when through the course of the fatal Mrs Hipple said to her husband, that he better take the load out of the gun, which had teen talking of for some time. Too when he had been out shooting robins, in r that they might be prepared in case they He took the gu he purpose aforesaid, and found that the ssion cap had rusted fast upon the tube; order to extricate the cap. he took his ntnife and began cutting it away. Whilst as engaged, Mrs. Hipple walked across the from where she was sitting, and in re g, when opposite the muzzle of the gun, t the distance of about ten inches fro er husband hopemed to draw his penknife riskly to remove the cop, it suddenly ex-ed, and discharged the contents of the shoulder blade, of which wound death buildings. sates-during which time she scemed per ation-expressing with her last breath a a bereaved husband and three small chilto bemoan her untimely end .- German degraph.

man named Ephraim Pettingill, residing Canterbury, N. H., left his work last ing, an I was returning home with an axe his shoulder, another without a handle in hand, and a bottle of liquor in his pocket. her he threw that on his shoulder at some of the one he had in his hand, he died be-ak deep in his abdomen, and he died be-er relief could reach him.

ord at Meriden, Conn. with all its contents, consisting of hay and grain, with a valuable one, was consumed last week, by a singular ident. Mr. B. had a pig stlected with arrys he applied the usual specific, a shovel solid sakes to his back, to effect a curc, with thick the pig ran under the bach. Some empre remaining in the askes set the combustives around on the calamity. He have the calamity he had been the flames.

to day the public that the strike is graphed from the sound of the strike is supposed that kone of the strike is supposed the strike is supposed to the supposed that the supposed to the a filsehood upon his tips. The street of fived, as it was dangerous that he should be it is called, was communicated to fived, as it was dangerous that he should be forces, the person who had the care of at large. This agreed to, the unsuspecting clerk, was ushered into the apartment of the The most material parts of it were physician, where he was confined nearly two communicated to Sheriff Vernam days as a lunatic; and it was not until the M D. had sent a servant to the supposed resience of the lady, that he would heed the exclamations of the prisoner.

> From the Boston Transcript. At a grand fete recently given by the Sultan to the Foreign Ambassadors, the ground presented one of the most enchanting prospects possible-all the ladies of the Ambassa for with their suits, being accommodated at the kinsk, while the valley and the hills were thronged by Turkish women not less than 30 000 in number, their white head dresses, their gilded arribas having a most picturesque of fect. Every exertion was made by Hahl Parcha to please his guests. A handsome bangnet was served in the kiosk, and the best and of dramatic entertainment Constantino ple could supply was provided for them on These consisting of the gambols of German rope-dancers, and of a sorry eques rian performance, very far inferior to tan and all his ministers sitting gravely watch ing and admiring antics which would be hiss ed by the one shilling gallery; and to see the imbassadors and their ladies assustomed to il the brilliant representations of all the capitals in Europe, compelled to yawn for hours it a performance of the most inferior kind. A fine display of fire works made at night, to the delight of the Turkish women, who sat on the sale of the hill wendering at the European ladies, who committed the covering their faces before men, and exclaiming like children, with astonishment at the fiery wheels and serpents which Russian ar tists provided in great abundance.

FIRE AT THE URSULINES NUNNERY. A fire broke out early yesterday morning in the Ursulines Numery, having, it is supcosed, originated in the baking-oven used the day before, or from ashes. The stock of pro-visions of the establishment has particularly been nearly all destroyed. The kitchen has been burnt, and apartments adjoining it partly consumed. Insurances to the amount of 832.000 had been made on the whole of the

The Religious Ladies take the earliest opportunity of returning their thanks to the Staff Officers and men of the Garrison, the Town Council, the Seminary and the students who worked the engine of that establishment and to the citizens in general, for the zea and activity displayed, and the reserve and polite behaviour towards all the inmates of the Convent, as well as the care with which they guarded the articles removed, and con-tinued to attend till this morning to prevent all the chances of the fire breaking out again.
His Excellency the Governor in Chief, we

are informed, offered the Castle to the Reltgious Ladies, as a temporary lodgment in case of need, but they fortunately were not forced starce before him, staggered, and fell on the to leave their Convent. The total destruction of their provisions, made it necessary to provide for the Sunday meals of about 150 paid. A new barn, belonging to William Batspersuns occupying the Convents and the supplies were received from the Castle and the
mixth before columns communities.

Quebec Gazelle.

A short time since, a countryman by the singular shift the pig ran under the farm. Some empty remaining in the sakes act the combustions around on fire, and hence the calamity. The lorie was once rescued from the flames, and was destroyed.

An appropriation bill was the at the last ension of Congress for the erection of a farm there is a discountry for the stretch of the rection of a farm there is a discountry for the erection of a farm there is did to take the interce of the property by a well dressed young fellow, whom he met travelling on foot, and whom he invited to travel with him at a farm their roads lay together,—out of speared grain into the flames, and was destroy.

An appropriation bill was the at the last ension of Congress for the erection of a farm their roads lay together,—out of spearent grattinde for this kindness, the strang er insisted on Doods drinking with him at every tavern they came to, and the consequence was that the countryman was pretty well intoxicated, by the time shape reached Hoboken ferry. Here, by way of farther incomparing the strength of the strength

continually talking about collecting bills, height in swindled, &c. She proposed to leave him in charge of the doctor for a few days, en joining upon him to keep the young man continually talking about collecting bills, height to be carred to the carred taken into the custody of the police. note was dropped to their owner, who had returned home, apprizing him of the sei-zure of his property. Nothing has been heard of his avagon or clothes, but in their place, however, he has received a quid pro que in the shape of considerable dear brought exper-
